## Terms Governing This Sale

Bidders unknown to us will please furnish bank or other references or deposit 25 per cent with their bids, and it is agreed that remittance will be made upon receipt of invoice if references are not furnished.

Any coin which is not satisfactory may be returned within five days from date of receipt for full refund. **You must be satisfied. PAYMENT TO BE MADE UPON RECEIPT OF MERCHANDISE.** Coins remain our property until paid for. There will be no charge for executing your bids but the purchasers will be required to pay the postage and insurance on their purchases. If you do not wish coins sent airmail please note this on your bid sheet.

We shall welcome your bids and will try to purchase the coins as much below your bids as possible. PLEASE BID BY THE LOT. Unlimited bids are executed at an advance of 5 per cent over the next highest bid. Numbers in ( ) are the quantity of that item.

If you are interested in any particular coin, we shall be glad to have you write us for full information. LOTS CANNOT BE BROKEN. Be sure you bid on the correct lot as we cannot be responsible for errors in bidding.

## NOTICE TO NEW BIDDERS

### Our Mail Auction Sales Are Conducted in the Following

1. Bids are entered in the order received; if identical bids are received, the first bidder is awarded the lot. SEND BIDS AIRMAIL—IT PAYS.

2. The highest bidder on the date of the sale is awarded the coin at a slight advance over the second highest bidder. **Bids you send in are the maximum you are willing to pay for the coin. WE, AS YOUR AGENT, TRY TO BUY THE COIN AS LOW AS THE NEXT HIGHEST BID WILL ALLOW.**

3. Valuations placed in the auction catalog are catalog price; prices generally asked by dealers when the coin is in stock, or prices generally realized at auctions.

ANY COIN WHICH IS NOT AS REPRESENTED MAY BE RETURNED WITHIN FIVE DAYS FROM DATE OF RECEIPT FOR FULL REFUND. **YOU TO BE THE SOLE JUDGE AS TO CONDITION. YOU MUST BE SATISFIED.** No, you won't receive a nasty letter for returning a coin—instead you will receive a letter thanking you for calling attention to the error made in cataloging. While we try to describe coins as accurately as possible, it is inevitable that an occasional error is made in the cataloging of thousands of coins each month. Whenever this happens, we want it called to our attention to help prevent future errors.

Any coins may be inspected prior to the sale, collector to pay postage and and insurance both ways.

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogs.

## HOLLINBECK KAGIN COIN COMPANY

YOU WILL WANT A PRICE LIST OF THIS SALE  
TO KNOW WHAT COINS ARE BRINGING

PRICE LIST OF SALE \$1.00

# IS THIS YOUR FIRST AUCTION CATALOG?

15th EDITION GUIDE BOOK AND 18th EDITION STANDARD CATALOG  
USED IN CATALOGING THIS SALE.

Gold, silver, small cents, types, commens, (gold & silver) & scarce currency, seem to be rising the most rapidly at present with most bringing close to listed values and a great number bringing even more. Many are rising from month to month with a number "just not obtainable." The coins most in demand will have the greatest number of bidders and with the law of supply and demand working, these coins keep setting new records.

Occasionally a collector writes us asking why our estimated values in some instances are higher than the catalog listing. This occurs when the demand is so great and the supply so small that new records are set whenever these coins come upon the market. If one will take a few moments to reflect, he will understand that it takes several months to compile the necessary information before the catalog can be published, therefore, it is inevitable that the catalog listing will be under the prevailing market price on the items in popular demand at the time of the publication. **The estimated prices are entered only after careful examination of the results in our past sales which reflect the actual and not theoretical value. (PLEASE NOTE THAT MANY OF THE ESTIMATES ARE CATALOG VALUE ONLY. MANY OF THE GOLD COINS, SILVER \$1, WASHINGTON QUARTERS, ETC. ARE ESTIMATED AT CATALOG.)** in the final analysis, you the collector, are the one who sets the price.

BIDS ARE RECORDED AS FOLLOWS: Each bid sheet is given a number as it comes in, and the bids are recorded. In the event of identical bids, the first bidder receives the lot. At the last day of the sale, the books are closed with the highest bidder on each lot being awarded the lot at an advance of not over 5% above the next highest bidder. For illustration—the two highest bids received on a lot may be \$17 and \$20. The highest bidder who bid \$20 would receive the lot at \$17.25. We act as your agent and use your bids as a limit—not as a final bid unless we are forced to do so to obtain the lot. We accept unlimited bids which generally assures the bidder of obtaining that lot regardless of what the highest bid may be. Where the lot is bringing far more than we believe it is worth or in the event of two unlimited bidders on the same lot, we notify the unlimited bidders by phone or wire, if necessary, in order to obtain a fixed limit to the bid. Even tho auction purchases are supposed to be final, we do not want you to keep any lots which you believe are improperly described. We endeavor to treat our customers as we would wish to be treated. Coin collecting is a personal hobby which makes life a little more pleasant. We try to keep it on a friendly basis and value the many friends we have made thru the years. If you have any complaints, we want to hear them as well as any compliments.

**YOUR SUCCESSFUL BIDS WILL INSURE YOUR RECEIVING  
SUCCESSIVE CATALOGS WITHOUT INTERRUPTION.**

## BARGAINS GALORE

In every sale, some lots go at "bargain prices." May we suggest that in addition to bidding on those lots you "really want," you place nominal bids on those lots that "you might buy if they went at bargain prices." While you may not obtain many of these "bargain lots," yet in every sale you may pick up some real bargains.

Sincerely,

A. M. KAGIN and PAUL KAGIN

# YOU MUST BE SATISFIED

Our Sales Are Cataloged With You in Mind. If you have any suggestions, complaints, compliments (yes we receive some now and then), we want to hear them. Having catalogued over two hundred thirty-five successful coin auctions, we believe we are qualified to advise and help you with your numismatic problems. No, we don't "know-it-all" but we do know where to obtain the information we don't have.

We have a number of want lists on hand for the scarce and rare United States coins and currency. Our average commission for obtaining these specimens is only 10 per cent, therefore we believe we can pay the top price for your choice and scarce pieces, no matter how rare. Don't you think it is worth a 7c airmail stamp to find out what we would pay for your outstanding pieces? naturally we buy collections, too.

## SOMETHING NEW HAS BEEN ADDED

We wish to call your attention to the new service extended as per the bottom of the **bid Sheet**. After receiving requests to apply the amount saved in the awarding of successful bids below the bids authorized we decided to avail this service to all of our clients. It is often exasperating to lose a lot by a few nickels when the amount saved on the successful bids would have been sufficient to increase the original bid to the point necessary to receive the lot. Check the bottom of your bid sheet.

592. 1836 ORIGINAL, BRIGHT RED GEM PROOF. ONLY 12 SAID TO BE KNOWN MAKING IT NEARLY AS RARE AS ALMOST ANL DATE IN THE HALF CENT SERIES! Of the 12 known, 3 are in museums leaving ONLY 9 AVAILABLE FOR COLECTORS. THIS PLACES IT WITH THE 1796 NO POLE IN VARIETY (catalogs \$800 fine). CERTAINLY, A GREAT RARITY SUCH AS THIS, IN SUPERLATIVE CONDI-TION, SHOULD BE WORTH AT LEAST \$1000.00. Compare this with the 1894-S dime (24 issued) which sold for \$13,-500.00 in March; the 1876-CC twenty cent (14 known) which sold for \$6,900.00 also in March and the 1838-O half dollar (20 issued) which catalogs \$5,000.00. ## 1856 TRANSITIONAL HALF CENT

606.	1856 STRUCK IN COPER-NICKEL AS THE FLYING CENT OF THE SAME YEAR! Evidently, the half cent was also being considered for some type of change but instead it was discontinued in 1857. GOLDEN PROOF. ONLY ABOUT 50 ISSUED. (COMPARED TO THE CENT OF WHICH 1000 WERE ISSUED). The cent catalogs \$1100.00. What this MUCH RARER TRANSITIONAL HALF CENT will bring, is up to you. We recall what B. Max Mehl would say in cataloging such a rarity, "The opportunity to acquire such a rarity is as rare as the coin itself."

## 1839 ERROR \$1

---

1656. 1839 Gobrecht Flying Eagle, THINNER PLANCHET ON SMALL PORTION OF EDGE, otherwise AN ABSOLUTELY PERFECT PROOF. Since proofs are carefully made for collectors, the mint carefully checks them so that no errors are sent out. THIS IS THE ONLY MINT ERROR REGULAR PROOF WE KNOW OF! It was acquired a number of years ago from New Netherlands Coin Company who also made the same statement. IN ADDITION, it has an INVERTED REVERSE. This is the variety with stars on obverse and starless reverse, reeded edge. We note an 1839 of which 3 are known recently advertised at \$4,750.00. What this UNIQUE specimen will bring, your guess is as good as ours.

## 1852 LARGE CENT/INDIAN CENT

1657. 1852 Large Cent with Indian Cent showing on obverse. A letter from the Chief Curator of the American Numismatic Society accompanies this coin stating, "A large cent planchet was struck on one side with a small cent die; the planchet was then struck on both sides with large cent dies of 1852, which, let us say about 1859 or shortly thereafter, were still available to workers in the mint." A MOST INTERESTING PIECE. It had a price tag of \$450 on it in 1958; the present owner feels it should now be worth at least \$750.00

## \$20 GOLD

---

Collectors have finally begun to realize how undervalued this series is. Prices have advanced markedly on the scarce and rare pieces and are now affecting the more readily available dates. Prices cannot long remain at so close to bullion value. Need we say more?

1658. 1850 TYPE I, "TWENTY D.", Magnificent specimen with HIGH WIRE EDGE AROUND BOTH SIDES and PROOFLIKE surface. VERY RARE IN THIS REMARKABLE CONDITION. We handled a similar specimen about two years ago and that specimen had previously cost \$1000.00; what this one will now bring must be determined by you, the bidder. A BEAUTIFUL SPECIMEN FOR THE COLLECTOR WANTING "THE BEST" FOR A TYPE SET (or date set).
